*Promoting evidence-informed health decision-making for 25 years
by producing high-quality, relevant, accessible systematic reviews
and other synthesized research evidence.*

For 25 years, we have been helping healthcare providers, researchers, policy makers, and patients in making healthcare decisions. Our work has contributed to the development of research methods and prevention of research waste.

We are happy to celebrate this beautiful milestone. Please, mark in your agendas:

Symposium 25th anniversary Cochrane Netherlands
October 4th, 2019, 9:30 – 17:00 h
Utrecht, Muntgebouw

Renown colleagues from our national and international Cochrane network will present their work and we will organize a series of hands-on workshops, such as Network Meta-analysis, Responsible research practices, Peer review, and Narrative synthesis of quantitative data.

More information will follow and we will let you know when registration is open.

We sincerely hope to meet you Friday October 4th in Utrecht, Muntgebouw.
